I Think he knows

Sopran:

I think he knows his footprints
On the sidewalk
Lead to where I can't stop
Go there every night
I think he knows his hands around
A cold glass
Make me wanna know that body
Like it's mine

Alt:

He got that boyish look that I like in a man
I am an architect, I'm drawing up the plans
It's like I'm seventeen, nobody understands
No one understands

Refräng:

He got my heartbeat
Skipping down 16th Avenue
Got that, oh! I mean
Wanna see what's under that attitude
I want you, bless my soul
And I ain't gotta tell him
I think he knows
I think he knows

Sopran:

I think he knows
When we get all alone
I'll make myself at home
And he'll want me to stay
I think he knows
He better lock it down
Or I won't stick around
'Cause good ones never wait

Alt:

He got that boyish look that I like in a man
I am an architect, I'm drawing up the plans
He's so obsessed with me, and boy I understand
Boy I understand

Refräng:

He got my heartbeat
Skipping down 16th Avenue
Got that, oh! I mean
Wanna see what's under that attitude
I want you, bless my soul
And I ain't gotta tell him
I think he knows
I think he knows

I want you, bless my
I want you, bless my
I want you, bless my
I want you, bless my soul

Stick

Lyrical smile, indigo eyes, hand on my thigh
We can follow the sparks, I'll drive
Lyrical smile, indigo eyes, hand on my thigh
We can follow the sparks, I'll drive
So where we gonna go?
I whisper in the dark
Where we gonna go?
I think he knows

Refräng:

He got my heartbeat
Skipping down 16th Avenue

Got that, oh! I mean

Wanna see what's under that attitude

Like, I want you, bless my soul

And I ain't gotta tell him

I think he knows

I think he knows

Coda:

I want you, bless my

I want you, bless my

I want you, bless my

I want you, bless my

I want you, bless my

I want you, bless my

I want you, bless my soul

I ain't gotta tell him

I think he knows
