Ten+bas: I took a page out of your favorite book
You sold me lies just by the way you look
Taught me a language that I've never speak
Baby, that ain't for me,
Sop + alt: that, that ain't for me

B

I dug my grave watchin' the way you move
Ten+bas: You took me higher than I ever flew
Sop + alt: Too many times, gave you a second chance
Alla: Baby, I'm just a man, I'm, I'm just a man

C

Sop+bas: (No____, No____, Ah___ My soul__ up off the floor____)
Alt + ten: No more thinkin' about you late at night
No more runnin' around with your friends now
Done pickin' up pieces of my soul up off the floor, oh, oh

D

I said I would die for you, baby
But I can't take this pain no more
I thought I was willin'
But tonight I saved my life when I showed you the door
I don't wanna lose you, baby
But I can't play this game no more
I thought it would kill me
But tonight I saved my life when I showed you the door

E

Alt: You never thought this day would ever come
But I looked you in the eyes and pulled the rug
You tried to take away my sanity
