lo, it's me. I was won - der-ing if af - ter all these years you'd like to meet

HELLO

Hello, it's me
I was wondering if after all these years you'd like to meet
To go over everything
They say that time's supposed to heal ya
But I ain't done much healing

Hello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt before the world fell at our feet
There's such a difference between us
And a million miles

**Hello from the other side
I must've called a thousand times
To tell you I'm sorry
For everything that I've done
But when I call you never
Seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm sorry
For breaking your heart
But it don't matter, it clearly
Doesn't tear you apart anymore**

Hello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're well
Did you ever make it out of that town
Where nothing ever happened?
It's no secret
That the both of us
Are running out of time

**So hello from the other side (from the other side)
I must've called a thousand times (thousand times)
To tell you I'm sorry
For everything that I've done
But when I call you never
Seem to be home

At least I can say that I've tried (that I've tried)
To tell you I'm sorry
For breaking your heart
But it don't matter, it clearly
Doesn't tear you apart anymore**
