## Flowers

We were good, we were gold kinda dream that can't be sold  
We were right, 'til we weren't Built a home and watched it burn  
Mm, I didn't wanna leave you, I didn't wanna lie  
Started to cry but then remembered I

I can buy myself flowers, write my name in the sand  
Talk to myself for hours, say things you don't understand  
I can take myself dancing and I can hold my own hand  
Yeah, I can love me better than, you can  
Can love me better, I can love me better baby  
Can love me better, I can love me (better baby)

Paint my nails cherry red, match the roses that you left  
No remorse, no regret, I forgive every word you said  
Oo, I didn't wanna leave you, I didn't wanna fight  
Started to cry but then remembered I

I can buy myself flowers, write my name in the sand  
Talk to myself for hours, say things you don't understand
