S. stop. Like, can you just not step on our gowns? You need to calm down.

A. stop. can you just not step on our gowns? You need to calm down.

You need to calm down

You are somebody that I don't know
But you're taking shots at me like it's Patrón
And I'm just like "Damn, it's 7:00 a.m."
Say it in the street, that's a knock-out (oh __)
But you say it in a Tweet, that's a cop-out
And I'm just like, "Hey, are you okay?" (are you okay?)

And I ain't try'na mess with your self-expression (oh __)
But I've learned the lesson that stressin'
And obsessin' 'bout somebody else is no fun
And snakes and stones never broke my bones so

Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to calm down
You're being too loud
And I'm just like oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to just stop
Like, can you just not step on my gown?
You need to calm down

You are somebody that we don't know
But you're coming at my friends like a missile
Why you mad?
When you could be glad? (you could be glad)
Sunshine on the street at the parade
But you would rather be in the dark ages
Just making that sign, must've taken all night (sign, night)

You just need to take several seats
and then try to restore the peace and control your
urges to scream about all the people you hate
'Cause shade never made anybody less gay so

Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to calm down
You're being too loud
And I'm just like oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to just stop
Like, can you just not step on his gown?
You need to calm down

And we see you over there on the internet
Comparing all the girls who are killing it
But we figured you out
We all know now, we all got crowns
You need to calm down

Oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to calm down
You're being too loud
And I'm just like oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to just stop
Like, can you just not step on our gowns?
You need to calm down
