

# Fall In Love Alone - Stacey Ryan

La, La da da da,  
La da da da,  
La da da ya, la-da.

A I'm familiar with unrequited  
I know you got a heart that's undecided just like mine  
It takes its sweet time (*sweet time*)

I been shy to dive into the deep end  
'Cause I don't really wanna lose a good friend, but I might  
Find something divine

B It's electric every time we touch  
I've been living for this head rush  
But sometimes it's too much

C If we never try  
How will we know  
Baby, how far this thing could go  
Give me a sign  
If I'm on your mind  
I don't want to fall in love alone (*I don't wanna*)

D I wish that I could tell what you were thinking  
I hate that I slip up when I've been drinking, but oh well (*but oh well*)  
I can't help myself

I'm getting really tired of this back and forth  
Why don't we just give in to this driving force? I mean,  
There's something between us

E It's electric every time we touch  
I've been living for this head rush  
But sometimes it's too much\_\_

F If we never try  
How will we know  
Baby, how far this thing could go  
Give me a sign  
If I'm on your mind (You know that you're on my mind)  
I don't want to fall in love alone (*ah-*)

If we never try  
How will we know  
Baby, how far this thing could go  
Give me a sign  
If I'm on your mind  
I don't want to fall in love alone \_\_\_\_\_

Don't wanna fall  
I don't wanna fall in love (*oo\_\_*)

Ooh oh, fall I don't wanna fall  
in love alone  
I don't wanna fall in love alone  
*Oo oh*

G Fall, I don't wanna fall  
I don't wanna fall in love alone (*I don't wanna fall*)  
(*You just need to be right here next to me*)

Fall, I don't wanna fall  
I don't wanna fall in love alone (*You just need to be right here next to me*)

Fall, I don't wanna fall (*Next to me, next to me*)  
I don't wanna fall in love alone (*I don't wanna be without you, baby, when I...*)

Fall, I don't wanna fall (... *fall, fall, fall... Fall, fall fall...*)  
I don't wanna fall in love alone (*I don't wanna fall in love alone*)
