SÖK

*Is this the real life? Is it just fantasy?
Caught in a landslide, no escape from reality
Open your eyes, look up to the skies and see
I'm just a poor boy, I need no sympathy
Because I'm easy come, easy go
Little high, little low
Any way the wind blows doesn't really matter to me, to me*

B

ALLA

Mama, just killed a man
Put a gun against his head, pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all away
Mama, ooh, didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on as if nothing really matters

C

Too late, my time has come
Sends shivers down my spine, body's aching all the time
Goodbye, everybody, I've got to go
Gotta leave you all behind and face the truth
Mama, ooh I don't wanna die
I sometimes wish I'd never been born at all

D

I see a little silhouetto of a man
Scaramouche, Scaramouche, will you do the Fandango?
SÖK
Thunderbolt and lightning, very, very frightening me

ALLA

I'm just a poor boy, nobody loves me
He's just a poor boy from a poor family
Spare him his life from this monstrosity
Easy come, easy go, will you let me go?
(Bismilah) No, we will not let you go (let him go)
(Bismilah) We will not let you go (let him go)
(Bismilah) We will not let you go (let me go)
Will not let you go (let me go)
Will not let you go

Oh, mamma mia, mamma mia
Mamma mia, let me go
Beelzebub has a devil put aside for me, for me, for me

I

So you think you can stone me and spit in my eye?
So you think you can love me and leave me to die?
Oh, baby, can't do this to me, baby
Just gotta get out, just gotta get right out of here.

J

Nothing really matters, anyone can see
Nothing really matters
Nothing really matters to me
Anyway the wind blows
