Lovely – Billie Eilish (with Khalid)

Thought I found a way
Thought I found a way, yeah (ah__)
But you never go away (never go away)
So I guess I gotta stay now

Oh, I hope some day I'll make it out of here,
Even if it takes all night or a hundred years
Need a place to hide but I can't find one near
Wanna feel alive, outside I can fight my fear

**Isn't it lovely all alone?
Heart made of glass, my mind of stone
Tear me to pieces, skin to bone
Hello, welcome home**

Walkin' out of town
Lookin' for a better place (for a better place)
Something's on my mind (ah__)
Always in my headspace

But I know some day I'll make it out of here,
Even if it takes all night or a hundred years
Need a place to hide but I can't find one near
Wanna feel alive, outside I can fight my fear

**Isn't it lovely all alone?
Heart made of glass, my mind of stone
Tear me to pieces, skin to bone
Hello, welcome home**

Oh, yeah, ah

Hello welcome home
