| A | Hoo Hoo |
| B | No nightmares when you can still see the light Can't find me, I'm not in the city tonight I like your playlist, boy, turn it up a little louder Road's empty, so you drive a little faster Ain't taken nothing tonight, but I'm feeling so high |
| C | Show my tan lines, low-rise, rooftop down It's golden hour all the time |
| D | It's the midnight sun-kissed skin under the red sky Layin' on your chest like this Hold me like the pebbles in your hand, initials in the sand Summer isn't over yet Skinny-dipping with your heart out, it's my favorite part now We ain't gotta tell no one shh Never ending midnight sun Never ending midnight sun |
| E | Hoo Hoo Midnight sun |
| F | Connected I'm so in touch with it all (<i>in touch with it all</i>) I feel protected, mmm By the moon and the stars (<i>the moon and the stars</i>) I'm walking barefoot, feel the grass in between my toes (<i>Haa</i>) Bombshell wind in my hair, baby, let it blow, yeah It's been a while since I've cried over something so nice |
| G | Show my tan lines, low-rise, rooftop down It's golden hour all the time |
| H | It's the midnight sun-kissed skin under the red sky... |
| I | Hoo Hoo Midnight sun Never ending midnight sun Never ending midnight sun |
