There's nothing colder than your shoulder  
When you're dragging me along like you do, like you do  
And then you switch up with no warnin'  
And you kiss me like you want it, how rude, how rude
- C  
But I kinda like it anyways (Ah\_\_\_\_\_)  
I don't mind if this is gonna take a million days  
I know you'll come around to me eventually  
If you sit back, relax, and join my company, my company

Once you know what my love's gonna feel like  
Nothing else will feel right, you can feel like

Not saying you gotta chase me  
But I wouldn't mind it  
If you gave me just a little bit  
Of something we can work it with  
But all you do is push me out
